

Presented by the Huguenot Society of Australia

## **“Escape to the Wild and Desolate lands of the Cape: the Le Roux brothers and the Dutch East India Company (VOC)”**

A Public Lecture by Dorothy Brownrigg  
(Le Roux descendant)

Dorothy will dip into some history of the Netherlands, examining the reasons why many Huguenots escaped France via this corridor of safety and support. The tale of her relatives escaping to the Cape in the 1680s is about being in the right place at the right time - or was it the wrong place?
